CIRCULAR

Sub: Introduction of SPARROW for online filing of APARs in respect of DANICS Officers

The Govt. of India, Ministry of Home Affairs, vide letter No. 41001/13-UTS-II dated 08.08.2018 has informed that the process for Introduction of online system called *Smart Performance Appraisal Report Recording Online Window (SPARROW)* for preparation and maintenance of APARs in respect of all DANICS Officers, is in progress.

On implementation of SPARROW, the recording and maintenance of APARs would become seamless, quick, convenient and transparent, as SPARROW facilitates the electronic filing of APAR by the officer reported upon and recording of same by the Reporting / Reviewing Authorities also. This will surely result in minimising the pending activities of completion of APAR manually, besides immediate availability of APARs for DPCs for promotion / Govt. sponsored training and deputation of concerned officers.

The key feature of the SPARROW system is that recording and submission of APAR in SPARROW system requires e-signing and therefore, initialisation of e-signable numbers of the officers concerned with their Aadhar has to be done along with the generation of N/C email (if not already done) of all officers. However, before SPARROW system is made functional, the personal details of all the DANICS Officers are to be furnished to MHA immediately for further action.

Therefore, a copy of letter of Ministry of Home Affairs (Annexure-I / II) is enclosed, with the request to circulate the contents of the same to the Entry Collection / JAG-II and JAG-I Level DANICS Officers working in your jurisdiction and requested that personal details, as sought vide Annexure - I / II, in respect of all DANICS Officers working under your administrative control may please be provided by 21.09.2018 to Services Department for onward submission to Ministry of Home Affairs.

This may please be accorded 'TOP PRIORITY'

Subject: Introduction of **SPARROW** for online filing of APARs in respect of
DANIPS/DANICS officers.

I am directed to refer to the above subject and to say that the Ministry of Home Affairs is in the process of introducing an online system called Smart Performance Appraisal Report Recording Online Window (SPARROW) for preparation and maintenance of APARs in respect all DANICS/DANIPS officers. SPARROW facilitates the electronic filing of PAR by the officers and recording of comments by the Reporting/Reviewing/Accepting Authorities also electronically. On implementation of SPARROW, the recording and movement of PARs would become seamless, quick, convenient and transparent.

2. Recording and transmission of PAR in SPARROW system requires e-signing. It is essential that the mobile number of the officers concerned must be linked with their Aadhaar immediately. Further, NIC must also be generated for all the officers, if not already done. At the first instance, creation / generation of blank APAR form in

SPARROW, the personal details of all the DANICOF-NPS officers, as per the formats designed for the purpose (Annexure-I/II) are required.

3 In view of above, it is requested that UT Administration may advise all concerned, accordingly. Also, obtain information in Annexure-I / II from them and furnish the same to this Ministry, for taking action on creation/generation of blank APAR form in SPARROW. This may be treated as most urgent. This issues with the approval of the Competent Authority.

Encls: As above

Yours faithfully,

{Hitlar Singh}

Under Secretary to the Govt. of India
