IICA/MSME/15042024

15 April, 2024

Sir / Ma'am,

IICA's Flagship Four-Day Capacity Building Program (32nd Edition) - Call for Nominations:

"Advance Procurement (Policy & Procedures based on GFR, GeM & E-Procurement), Strategic Sourcing, Cost Reduction Techniques & Contract Management: Navigating Solutions to Present & Future Challenges"

(18-21 June, 2024 at Shillong)

Indian Institute of Corporate Affairs (IICA) has a focused **Centre for Micro, Small & Medium Enterprises**, established to foster understanding of the Regulatory Framework, encourage innovative responses to business environment and focus on issues affecting MSMEs. The Hon'ble Minister of State for Finance & Corporate Affairs is the President of IICA. Secretary, Ministry of Corporate Affairs is the Chairperson of the Board of Governors, which has many eminent personalities.

Encouraged with the overwhelming response and success of our recent program held at Shillong, we are conducting again our next **Four Day Capacity Building Program on "Advance Procurement (Policy & Procedures based on GFR, GeM & E-Procurement), Strategic Sourcing, Cost Reduction Techniques & Contract Management: Navigating Solutions to Present & Future Challenges"** scheduled during **18-21 June, 2024 at 'M Crown Hotel, Shillong'** to give you in-depth knowledge of topics relevant to Procurement Procedures, Policies and Contract Management. Training details, schedule and costing is also mentioned in the detailed program outline.

Since, GeM – Government e-Marketplace is the national portal to make public procurement transparent & simple. The GeM portal is currently being used by almost all departments/ organizations of Central and State Governments as mandated mandatory by the Government of India. Hence, we have included a session on "Existing Public Procurement Guidelines – The Process Accelerator: E-Procurement challenges & GeM – Government e-Market Place.

As you are aware that Government procurement has become a specialized function in the era of globalization. The changing business environment calls for efficient, responsive and transparent purchase procedures. Today, the world class organizations talk about the dedicated suppliers and emphasize on need of an Efficient, Transparent and Effective Supply Chain Management.

Procurement training is crucial for any business plan. It affects customer satisfaction, product quality, cash flows, and profitability. As supply chains become more intricate and limited, having essential skills is vital to succeeding in today's business environment. Besides, **Risk management is an essential component of procurement training. In today's challenging business environment, Procurement professionals must be equipped with the skills to identify, assess and mitigate the different types of risks that could impact their organizations. These include supply, price, financial, legal, and safety risks.**

This forthcoming capacity building program will be attended by various professionals at the senior level in public procurement from different Government departments, Central & State PSUs, Public & Private sector organizations to discuss the critical issues & concerns having direct impact in Procurement process. The aim of this program is to provide a common platform for all stakeholders to identify various factors to improve overall efficiency & effectiveness of public procurement. The capacity building program will discuss major issues like need for policy review, regulatory issues, innovative purchasing partnerships, role of changing technologies, the process accelerator: e-procurement, GeM-Government e-Market Place, environmental aspects and many other related issues.
