D.O. No. 33022/1/2024-ILDR

Dear Sir/Madam,

As you are aware, the Government of India set up the Institute of Legislative Drafting and Research (ILDR) as a wing of the Legislative Department of the Ministry of Law and Justice in January, 1989 with the objective of giving training to the Central/State Government officers so as to build capacity in the field of legislative drafting. Since then, the ILDR has been imparting training in legislative drafting to such officers and has so far conducted Twenty-eighth Basic Courses in Legislative Drafting.

2. ILDR is now organising the **Thirty-fourth Basic Course in Legislative Drafting** from 29th July, 2024 to 25th October, 2024. This Course is of three months' duration and will cover both theoretical aspects of legislative drafting as well as on-the-job practical training. The said Course is meant for providing training to the officers of the State government/Union territory Administrations, State Government Undertakings, Statutory Authorities, attached and subordinate offices of the State Government, whose services are being utilised or likely to be utilised in drafting of laws, rules, regulations, bye-laws, etc. You are requested to nominate two suitable officers for the Basic Course. The officers who have already undergone training at ILDR during any previous year may not be nominated again.

3. As per the policy laid down by the Government of India, officers belonging to the Scheduled Castes, the Scheduled Tribes and Other Backward Classes are to be given extensive training connected with their work. It is, therefore, requested that the officers belonging to these communities may be given due consideration while making nominations for the said Basic Course. You are also requested to give due opportunity to women officers.

4. During the period of training, the officers will continue to be on the strength of the State Government/Union territory Administration and will receive pay and allowances from the concerned State Government/Union territory Administration and as such no expenditure on this account shall be borne by the Central Government. The trainees will be under the administrative control of the ILDR with regard to their leave.

5. It may please be noted that the ILDR has no arrangements for stay of the trainee officers in Delhi. As the training will last for three months, it is necessary in the interest of officers of the State Government/Union territory Administrations that the concerned Government/Administration may make suitable arrangements for their accommodation or by way of suitable special allowance so that they do not face any difficulty on this account. Further, it is expected that the trainee officers would not be called back before the completion of the training.

6. As a part of the training programme, the trainee officers shall be taken for a study tour to States/Union territories outside Delhi so as to acquaint themselves of the legislative practices and procedures followed there. However, the travel and other expenses in respect of each candidate are required to be met by the concerned Government/Administration. Therefore, the State Government/Union territory Administration are requested to provide funds/advance to the nominated officers each to the tune of Rs. 35,000/- (Thirty five thousand rupees only) for study tour.

7. The nomination of the officers may be sent in the proforma annexed hereto at an early date, so as to reach this Department not later than 21st June, 2024.

With regards.

Yours sincerely,

(Dr. Manoj Kumar)
