Subject -Online Programme on Improving Water Productivity Through Water Audit and Management Techniques, May 5-6, 2022 @ CISCO WebEx Time 10:00- 13:30 Hrs.

Sir,

National Productivity Council (NPC), Department for Promotion of Industry and Internal Trade (DPIIT), Ministry of Commerce and Industry, Govt of India is a premier organization in areas of improving productivity in India. It is a notified industrial water auditor in India, Central Ground Water Board, Ministry of Jal Shakti, Department of Water Resources, River Development, and Ganga Rejuvenation.

NPC Jaipur office is organizing a Two half-day online **Capacity Building Programme Improving Water Productivity Through Water Audit and Management Techniques, May 5-6, 2022 @ CISCO WebEx Time 10:00- 13:30 Hrs.** The above would be focusing on efficient water conservation, water audit, and water management plan, which can boost water sustainability and water productivity.

It is expected to build capabilities among water professionals from diverse backgrounds such as central and state government, Railway, Industry, industries, State department of Water Resource, MCD, PHED, Agriculture, Academics, industry, consultants, civil society etc. who are directly or indirectly dealt with water management.

We would like to request you nominate 2-5 officials from your organization so that a large number of stakeholders could be benefited. Further, you also requested to circulate/notice board at your organization for wider participation.

Your early response and a line of confirmation in these regards would be highly appreciated.

(Dr Bajrang Lal)

NATIONAL PRODUCTIVITY COUNCIL, JAIPUR

E-Learning Capacity Building Programme on Improving Water Productivity Through Water Audit and Management Techniques. May 5-6, 2022 @ CISCO WebEx Time 10:00- 13:30 Hrs.

Brief about programme

Two half-days online programmes would focus on water, a vital source of human life. The water audit has been used as a tool to improve water productivity and consumption at the user's consumption level. The training programme on the said topic would guide appropriations of the amount of water consumed /wasted or polluted and how it could be sustainably used. Further, would explore different dimensions of water conservation initiatives and government policy guidelines.

NPC is a premier government consultancy, research and training organisation, empanelled/notified water auditor by Central Ground Water Authority of India to conduct industrial water audits. This programme has been designed to develop capabilities among different users i.e., industries, PHED, organizations, others to be aware in identifying their water conservation pattern, audit, identifying wastage, and thereby reducing water consumption through adequate planning.

Focus:

- **Ground Water Management Perspective and Mandatory Clauses-and Compliance**
- **Water productivity and conservation**
- **Different sector use of water and technological option to minimize water loss**
- **Procedures of Water Audit Indicators, Techniques and Methods**
- **Developing Management Plan for Sustainable Use of Water**

Target Group

Central and State Department of water resources, Industries units (Large, Medium and Small), Municipal Corporations, water & Irrigation PHED/ Urban Development Authority/ Developers/ Railway/ Hotels/ Institutes/ Water Engineers, consultants, academic and Policy Makers.

FACULTY AND METHODOLOGY

The faculty would include specialists from NPC & invited speakers from organizations of eminence such as NPC, CGWB, Government Department, JNU, R&D Academia, and users in water-related issues.

The methodology of the programme would be participative with a focus on the principle of adult learning. The sessions would be expert-led, participant-centred conceptual deliberations, involving case studies to address the issues of water.

A Certificate will be awarded to the participants upon successful completion of the training.
