The procurement of goods, works and services is very vast both in terms of variety & volume. Considering the size of the country, the number of procurement entities as well as products / service categories, the task is highly onerous and challenges are multifarious. These challenges need to be addressed.

Procurement has become a specialized function in the era of globalization. The changing business environment calls for efficient, responsive and transparent purchase procedures. Dated: 06.01.2026

Dear Sir/Madam,

As you are aware, in the current globalized context, it is increasingly in the interest of the States/ Union Territories to engage with the world so as to attract FDI, to enhance technology tie-ups and promote trade and tourism etc. Conscious of this need, States Division facilitates and coordinates efforts of the governments of various States/UTs for their global outreach activities.

2. States Division is mandated to facilitate diplomatic outreach efforts of the State and Union Territories. As the global engagement of state governments are on the rise, it is very important to get the state government officials ready for the new challenges. In view of this, it is felt that the Ministry of External Affairs needs to share its expertise and experience in dealing with the foreign governments and diplomats with the state government officials working in the relevant departments.

3. Towards this objective, States Division would be conducting a one week training programme in physical mode in Sushma Swaraj Institute of Foreign Service (SSIFS), Baba Ganga Nath Marg, New Delhi on **International Engagements and Investment promotion for senior/middle level officers from States and UTs of India from 23rd to 27th February, 2026**. The training module would broadly cover topics such as India's Foreign Policy, areas of interest including Para-Diplomacy, Connectivity Issues: Air, Water and Land, Attracting Foreign Tourists to India, India's Success Story, Consular & Diaspora Issues, issues faced by foreign businesses in States/UTs, Protocol matters etc. A similar programme held in 2021 was well appreciated by the participants.

4. The cost of the training programme would be borne by SSIFS, MEA, including Lunch/Tea. The States/UTs Governments are requested to pay for the round-trip passage to New Delhi and accommodation (in State Bhawans).

P.T.O.

5. I would request you to kindly **nominate two senior/middle level officers to avail this training programme.** The officer(s) nominated should be senior/middle level officer currently/likely to be deployed in global interface work of promoting their States/UTs.

6. I shall be grateful for your valuable suggestions/ views on the course content so as to make it practically relevant and useful. Your response by **23rd January 2026** would be highly appreciated, so that the training institution can suitably arrange for the programme. A copy of your nomination may please be endorsed to Joint Secretary (SSIFS), Ministry of External Affairs, New Delhi at js2.ssifs@mea.gov.in.

7. The training module is being prepared and would be shared at the earliest.

Yours sincerely,

(A. Ajay Kumar)
