Respected Ma'am/Sir

The National e-Governance Division (NeGD), under the Ministry of Electronics & Information Technology (MeitY), has been at the forefront of building capacities for government officers through its Capacity Building (CB) Program for Digital India. This program aims to equip officers with the requisite technical knowledge, digital acumen, and domain expertise to lead transformative initiatives in digital governance effectively.

2. For FY 2025-26, NeGD, in partnership with premier institutions such as the Indian School of Business, IIM Bangalore, IIM Visakhapatnam, IIM Calcutta, ASCI, NISG, and NLUs, has curated a series of specialized training programs. These programs cover crucial topics, including digital transformation, cybersecurity, data governance, digital public infrastructure, AI/ML, and procurement management. Designed to meet the needs of various levels of government officers, these programs ensure a sustainable and impactful approach to digital governance.

3. The approved training calendar for FY 2025-26, along with program details, training partners, and locations, is enclosed as Annexure A. For comprehensive information, including brochures and registration links, please visit <https://negd.gov.in/training-schedule/>. The calendar is dynamic, and the officers may kindly be encouraged to visit the training calendar regularly.

4. We kindly request your department to nominate 1-2 officers for each relevant program. Given the limited seats (30-35 participants per batch), nominations will be accepted on a first-come, first-served basis. The nominated officers should meet the following criteria:

- **Eligibility Requirements:** Relevant experience as per the program brochures
- **Mandatory Registration:** Completion of the online registration process at <https://tmis2.negd.in/>
- **Nomination Letter:** Submission of an official nomination letter from the department.
