CIRCULAR

Attention is drawn towards non-updation of information on HRIS website despite a number of circulars and subsequent reminders. Pendency still stands on the part of various departments of the Govt. of NCT of Delhi. A list of the employees whose updation/approval have not been done, so far, is being attached herewith.

It has also been observed that "postings details" column has not been updated by many departments, while this column is essentially required to be updated. All previous postings of an employee, since his joining in Government Services, should be updated in this column.

It is requested to direct the concerned authorities to update/approve the complete details of these employees, at the earliest.

Encl: As above
