11. **After considering the facts of each case and in view of the guidelines, policy and the vacancies available for appointment on compassionate grounds, the observations/ recommendations of the Screening Committee are as under:**

I- Review of old Cases:

The committee recommends to withdraw the earlier recommendations of the Screening Committee held in 2017 & 2023 for appointment on Compassionate Ground in respect of the applicants mentioned in Para 6(A) and also allow to add these 03 vacancies in the existing available vacancies.

II- Belated Cases:

Out of these 390 cases, the Screening Committee found that 12 cases mentioned in Annexure-I are either belated, due to being applied after lapse of 5 years of death of the government servant or had already been considered thrice earlier. The Screening Committee accordingly recommends to reject these 12 cases (As pr details in **Annexure -I**) without going into the merit of the case in accordance with Para (I) & (K) of O.M. dated 21.03.2023 issued by the Services Department, Govt. of NCT of Delhi.

III- To consider the 378 other cases for recommendation for appointment on Compassionate Ground:

The Screening Committee observed that there are 89 vacancies to the post of Warder, 4 vacancies to the post of Matron, 3 vacancies to the post of Forest Guard and 01 vacancy to the post of Excise Constable. 13. Applicants were arranged in descending order of points thereto for allocation of posts from higher to lower pay levels (Level 3, Level 2 and Level 1) i.e. applicant having more points would be first considered for the post of Pay Level-3, then for post of Pay Level-2 and thereafter for post in Pay Level-1. The post, on which applicant fulfils the requirement of RRs first, will be assigned. This criteria will be followed in respect of all the applicants till posts are available in each of category of vacant post.

14. For the 67 vacancies for the post of Pay Level-1 available in various departments, the allocation is done as per following alphabetical order as per name of the departments i.e.:-

17. Committee further recommends that in case any of the above 33 recommended applicants for the post of Warder, fails to qualify the Physical Endurance Test as required to be carried out before appointment to the post of Warder, their candidature/nomination shall exist as per previous precedence and they will be given priority in the next Screening Committee meeting thereto to consider them for appointment on compassionate ground against any other post on which Physical Endurance Test (PET) is not required. This condition will also be applicable in cases of other recommended applicants in above list for the post of Matron, Forest Guards and Excise Constable.

18. The committee noted that 56 vacancies, out of 206 still remain vacant. These 56 vacancies pertain to the post of Warder and are only for male applicants having minimum educational qualification 12th standard pass and height 5' 7"(Relaxable to 5cm for ST candidates only) as per the RRs for the post. It has also been noted by the Committee that as per DoPT Master Circular dated 02.08.2022, no relaxation in educational qualification is available for the post of Level-3.

19. In order to extend the benefit of compassionate appointment to maximum number of applicants /dependent family members of the deceased government servant, the Screening Committee recommends to explore the possibilities of utilization of the remaining 56 vacant post of Warder, to those applicants who are placed lower in merit but fulfill the criteria laid down in RRs for the post of Warder. It was brought to the notice to the Screening Committee that remaining 56 posts of Warder can be considered for recommendation to male applicants scoring less than 41 points who meet the physical standard and educational qualification as per RRs of the post of Warder so as to provide optimum extension of benefit to the families of the deceased government servant to fill all available vacancies.

20. It has also been found that there are about 57 applicants who score points between 40-33 but are not found fulfilling the eligibility criteria for the post of Warder. These 57 applicants cannot be considered for allocation of post as they do not fulfil either the physical standard or educational qualification or gender as required as per the RRs of the post of Warder. The details of these 57 applicants are at **Annexure - IV**.

21. Accordingly, the Screening Committee with a sole motive to extend the benefits of the compassionate appointment to maximum number of applicants possible, recommends following male applicants (scoring between 41 -33 points) who fulfil the criteria for the post of Warder.
