Subject: IIMB invites applications for the PG Program on Public Policy and Management 2024-2025

Dear Sir/ Madam,

Greetings from Indian Institute of Management Bangalore (IIMB).

I am writing to you in connection with our Post Graduate Programme in Public Policy and Management (PGPPM)- a diploma offered by IIMB. PGPPM is a modular PG Diploma program that the learner can access in a hybrid format, with a significant on-campus component. Currently, PGPPM is receiving applications for the **21st Cohort** starting in October 2024. PGPPM was introduced in 2001 by the Centre for Public Policy (CPP) with initial support from the Department of Personnel and Training (DoPT), Government of India and the UNDP. Its Alumni have been instrumental in initiating new policies, steering policy changes in their subsequent roles, and have made significant academic contributions through papers and books based on work done during the PGPPM. On successful completion of the programme, candidates are awarded with Post Graduate Diploma in Public Policy and Management by IIMB.

In this connection, we request your office to circulate the programme information to colleagues, cadres, and officers' association to help identify potential participants who may benefit from this program's exposure. Please find attached the DoPT notification for PGPPM 2023 batch for your kind information and reference. The last date for submission of applications for Government sponsored candidates through the DoPT and cadre-controlling authorities is August 21, 2023.
